

What Fruit Does Law Have

Michael Seilmaier

Oranges Are Not the Only Fruit Jeanette Winterson,2007-12-01 The New York Times–bestselling author’s Whitbread Prize-winning debut—“Winterson has mastered both comedy and tragedy in this rich little novel” (The Washington Post Book World). When it first appeared, Jeanette Winterson’s extraordinary debut novel received unanimous international praise, including the prestigious Whitbread Prize for best first fiction. Winterson went on to fulfill that promise, producing some of the most dazzling fiction and nonfiction of the past decade, including her celebrated memoir *Why Be Happy When You Can Be Normal?*. Now required reading in contemporary literature, *Oranges Are Not the Only Fruit* is a funny, poignant exploration of a young girl’s adolescence. Jeanette is a bright and rebellious orphan who is adopted into an evangelical household in the dour, industrial North of England and finds herself embroidering grim religious mottoes and shaking her little tambourine for Jesus. But as this budding missionary comes of age, and comes to terms with her unorthodox sexuality, the peculiar balance of her God-fearing household dissolves. Jeanette’s insistence on listening to truths of her own heart and mind—and on reporting them with wit and passion—makes for an unforgettable chronicle of an eccentric, moving passage into adulthood. “If Flannery O’Connor and Rita Mae Brown had collaborated on the coming-out story of a young British girl in the 1960s, maybe they would have approached the quirky and subtle hilarity of Jeanette Winterson’s autobiographical first novel. . . . Winterson’s voice, with its idiosyncratic wit and sensitivity, is one you’ve never heard before.” —Ms. Magazine

One Piece, Vol. 100 Eiichiro Oda,2022-08-02 The big powers converge as Luffy, Law, and Kid face off against Kaido and Big Mom. Is there any hope of victory against this ultimate alliance?! Onigashima quakes with power as some of the fiercest pirates in the world go head-to-head!! -- VIZ Media

One Piece, Vol. 76 Eiichiro Oda,2015-11-03 As Luffy and the Straw Hats battle it out with the Doflamingo family, we flash back to the childhood of Trafalgar Law. What made him the man he is today, and what is the cause of the grudge he bears against Doflamingo? -- VIZ Media

One Piece, Vol. 72 Eiichiro Oda,2014-09-02 Luffy and his crew arrive in the kingdom of Dressrosa where Doflamingo has prepared a clever trap for them. Can Trafalgar Law get them out of trouble? And will Luffy win the fighting tournament and claim the prize, his late brother’s Flame-Flame Fruit? -- VIZ Media

Nicene and Post-Nicene Fathers Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a

new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume VI of the 14-volume collected writings of the Nicenes and Post-Nicenes (first published between 1886 and 1889), readers will find Saint Augustines exegesis on the Gospels and the Sermon on the Mount, which strove to interpret and draw meaning out of the text without incorporating the author's personal agenda or bias. Also included in this volume are a selection of Augustines sermons.

From Morality to Law and Back Again Michelle Madden Dempsey, François Tanguay-Renaud, 2023-07-18 John Gardner was one of the most prolific, widely read, and influential scholars working in philosophy of law. This book celebrates, explores, and develops themes of his work during his sixteen years as Professor of Jurisprudence at University of Oxford. Written by a team of contributors whose own work has been influenced by Gardner's and with whom he has worked closely, this book engages with many of the concepts, themes, and issues that were central to his philosophical work and outlook. It expands on his arguments, offers original rebuttals to some, and draws connections with parallel and emerging fields that have been influenced by his work. This is the first book-length treatment covering the entire range of his scholarship, and will serve as a handbook of sorts, for those scholars seeking to engage Gardner's work and make connections across the wide range of topics on which he has written. In particular, the volume comprises discussions of duties to try and succeed in relation to Hume's maxim that 'ought implies can'; the role of continuity, conservatism, and corrective justice in private law, the interrelations between wrongdoing, blame, punishment, and the justification of criminal law, justifications, excuses, and responsibility, the distinctiveness of the wrongs of rape and discrimination, as well as general jurisprudence and how it may, or may not, illuminate the questions of normativity and the nature of constitutions. The volume also engages with further concepts and questions addressed through the prism of Gardner's work, include Indigenous rights and law, Equity, corporate responsibility and the possibility of state crimes, and the nature, structure, and phenomenology of virtue. Together, the papers collected in this volume pay homage to the breadth of John Gardner's legal philosophy. The conversations begun, or continued, in this volume will continue to inform the contributors' future work, and thus increase the likelihood that John's body of work will have an ever greater influence on the future of legal philosophy.
